

5 Senior faculty positions

Xishuangbanna Tropical Botanical Garden, Chinese Academy of Sciences (XTBG, CAS) is a comprehensive research institution engaged in biodiversity conservation and sustainable uses of plant resources, focusing on forest ecosystem ecology, conservation biology and resource plant development. We are inviting applications for the following 5 positions:

- 1.PI for environmental and ecological modeling;
- 2.PI for global change ecology;
- 3.PI for biodiversity conservation;
- 4.PI for aromatic plant research;
- 5.Director for technical service center (Analytical Instruments, Information Services).

Applicants should have a Ph.D. degree or relevant post-doctoral experience in biological sciences or a related discipline, and have an excellent record of productivity. Successful candidates will be appointed at the full professorship level and provided with a competitive salary, start-up funding, laboratory development resources and ancillary support commensurate with the candidate's qualifications. Appointees are expected to develop extramurally funded and internationally recognized research programs.

Interested individuals should submit (1) a cover letter, (2) curriculum vitae including a list of publications, (3) the first pages of up to five selected reprints, (4) a statement of research accomplishments and future research plans, electronically as PDF files to lzhq@xtbg.org.cn and copy to cj@xtbg.org.cn. Applicants should also arrange for three letters of reference to be sent directly to lzhq@xtbg.org.cn or by mail to: Ms.Z Liu, Personnel and Education Department, Xishuangbanna Tropical Botanical Garden, Chinese Academy of Sciences, Menglun, Mengla, Yunnan 666303, China

Review of applications will begin on **November 15, 2010** and continue until suitable candidates are selected.
